## Certificate

This is to certify that Mr Deshpande Yash Deepak from KJ Somaiya Institute of Engineering and Information Technology affiliated by Mumbai University has successfully developed a Mobile Application as well as a Web Application for Survey of SARI Disease in Solapur district. The duration of this project was 31 days (1 May to 31 May 2020). It was done under the guidance of Prof Reena Lokare (Assistant Professor at KJSIEIT). During the period of this project he was found punctual, hardworking and inquisitive.

We wish him every success in life.
